CAUTION - EXTERNAL:

Good morning,

Last night, I had chest pains and troubling breathing while driving. I went to the Euclid Hospital ER. I have attached paperwork. I need to reset the hearing date. I am not physically able to be in court today. I started having chest pains and shortness of breath. I was discharged late last night. I will be called today for a stress test. For your review, I have attached the document from the emergency room.

Thank you,
Darryl D. Moore, Sr.
